**Re: Solidarity Program - 2020 Equipment Support Program**

Dear President,  
Dear Secretary General,

Warmest Greetings from International Wushu Federation.

This year, the Covid-19 pandemic has deeply affected our common life, especially wushu training and competitions have all been cancelled or postponed. On behalf of our President Mr. Gou Zhongwen, I would like to convey our concerns and support to your federation and all friends of the wushu community in your countries (territories).

Our President Mr. Gou Zhongwen decided to have this Equipment Support Program presented to assist our members to go through these difficult times to get back on track as early as possible by directly providing the wushu equipment to NFs, which is also significantly beneficiary for building up National Federation's capacity in post-pandemic period.

This time, we set some qualifications and have four categories for the Equipment Support Program: level A, level B, level C and level D. Please see the attached *2020 Equipment Support Program Guidelines and Application Form* for details.

Please read carefully the guidelines to ensure you can apply the most appropriate categories. We sincerely hope that this program will be supporting to popularize wushu in your countries (territories) and upgrade level of your federation. Should you have any further questions related to this program, please feel free to contact our Project Manager Shang Di at [di.shang@iwuf.org](mailto:di.shang@iwuf.org).

Thank you, and best regards,

Zhang Qiuping  
Secretary General, IWUF
