Before You Join a Meeting

This section describes some of the things you might experience when you join a meeting.

- When a meeting host schedules a meeting, the host and all invitees receive an email invitation with the meetings details. When it's time to join a meeting, invitees select the meeting URL in the email invitation or in an instant message.
- **It is recommended to connect via Google Chrome or Firefox.**
- If the meeting does not start automatically, refresh the page.
